

WELLINGTON CABLE CAR MUSEUM

Stamps celebrate Wellington

February 2007

NZ Mail Business Development Manager Taare Wilson chose the Wellington Cable Car Museum as the venue to launch a stamp series celebrating the harbour capital.

A key reason for choosing the museum was its success in winning a 2006 Tourism Industry New Zealand Award (visitor activities and attractions: culture and heritage tourism). The images on the 45c stamps - which include the cable car, harbour, Old St Paul's and Te Papa - were chosen and collated by Positively Wellington Tourism.
